SPECIAL OLYMPICS

MESSAGE FROM THE SUPERINTENDENT

Dear Guests, Friends and Family,

When you support North East ISD athletic programs, you support opportunities for children to learn life lessons. Whether on the fields, on the boards or in the pool, our children explore their strengths, challenge their limits and discover that they have within them the capacity to excel.

Many of the children who you came to watch are in athletic programs to have fun. Others are in it for the fellowship, and many earn athletic scholarships to pursue an education at colleges and universities.

When you cheer for your favorite team and athlete, you cheer on the perseverance, confidence and self-esteem that each athlete develops. Throughout the year, as you enjoy these events, take a moment and look around. These events brought together families, friends and neighbors. You watched children demonstrate their talents, skills and abilities. Take a moment to realize that your support made this possible.

Sincerely,

Sean Maika, Ed.D.

WC SCHOOL & FIGHT SONGS

WINSTON CHURCHILL SCHOOL SONG

We walk down halls with glory filled and proudly recall.
The hours spent in making you — a memory to all.
When days go by and we have left, our hearts remain.
Your colors are flying for all the world to see.
Unfurl your banners bright in Victory.
Winston Churchill — your honor we defend
Cherished thoughts we hold until the end.
Winston Churchill — surpassed you'll never be.
So triumph in your name — we hail to THEE.

WINSTON CHURCHILL FIGHT SONG

Fight you Chargers take it all the way
Round the end another win today
If you fall we will lend a helping hand
Red, Black, White the greatest in the land
We're behind you all the way tonight
Victory will shine
We're gonna go, fight, Varsity
Right to the other line
Take your colors march on down the line
Show that team our boys are fighting fine
Get that ball from the enemy
Make them kneel down to our Varsity
When the game is over we'll be proud
Victory will shine
We're gonna Go, Fight, Win Chargers
For the Red, Black and White

MESSAGE FROM THE PRINCIPAL

Dear Charger Nation,

Welcome to the 2019-2020 school year! On behalf of the athletes and their coaches, as well as the many students that will perform tonight and throughout the year, I would like to thank you for your support.

As the principal of Churchill High School, I firmly believe that an involved student is a successful student. From being on a team, to playing an instrument, and everything Churchill in between, our students live their excellence each and every day.

On the ride home tonight or at the dinner table in the future, please take time to remind your son or daughter how lucky they are to attend Churchill High School. Our school is filled with tradition, pride and many decades of success. To wear the uniform or represent the Charger Nation is something that should never be taken lightly. I ask that you continue to be a positive champion for your child, your school and our community.

I look forward to a wonderful year! Go Chargers!

Athletic Hall of Honor

Winston Churchill has always set the standard for excellence in academics, leadership, sportsmanship and athletics. The Charger Sports Association recognizes our extraordinary athletes with our Hall of Honor, created in 2005.

The Hall displays some of Churchill's finest athletes, whose athletic feats extended beyond Churchill, into college and professional arenas. A designated committee consisting of coaches, association officers, administrators, and community members will select honorees every two years. The Hall of Honor showcases these distinguished athletes and will provide an inspiration to all the athletes that come to Churchill High School. Charger athletes will maintain Churchill's "tradition of excellence" as they preserve the past, affirm the present, and shape the future.

"Once a Charger, Always a Charger"

Tradition & Pride of Charger Football – 2019*

The Churchill Chargers are entering their **53rd year!** There have been some outstanding teams throughout the years. The overall record is **363 wins, 215 losses and 11 ties.** There have been 25 playoff teams, including two state semifinalists and one team that captured the state championship in 1976 with a perfect 15-0 record.

Charger teams have been privileged to play in front of live television coverage and have performed in front of better than 22,000 fans on many occasions. There have been games played in the Astrodome, Memorial Stadium in Austin, Rice Stadium in Houston, College Station and in 1996, the Chargers played in the first ever playoff game in the Alamodome in front of 18,000 fans. Over the years there have been packed stadiums in the local area. One of the more memorable games occurred in 1981, when some 19,000 fans crowded into North East Stadium and sat on the slopes of the gym to see the Chargers' regional contest. In 1999, Churchill beat Clark in the Annual Gucci Bowl at the Alamodome. This game was the inaugural game of the Annual Texas Football Classic. A great spirit has always existed among Charger teams. This spirit has been in the stands as well, and the two together have contributed greatly to the success these teams have achieved over the past **52** years.

The past **52** years have also seen some outstanding individuals. There have been many players who have been recognized at the city and state level, and many of those have gone on to play college and professional football. Three, Mike Norment, Andy Hrcncir and Carl Gustafson, became head high school football coaches. Gary Kelly, our starting QB in 1972, became CEO & Chairman of Southwest Airlines!

MESSAGE FROM COACH HARRIS

On behalf of Churchill HS and our entire Athletic Department I would like to extend a Big Charger Welcome to you as you attend this Athletic Contest. We thank you for your support of our Student-Athletes as they compete and represent our school, community, and North East Independent School District (NEISD) with pride and passion.

Churchill is part of District 27 AAAAAA. All indications are that this will continue to be an exciting and competitive district as it includes the seven NEISD high schools as well as South San HS, which provide for spirited rivalries, competition, and genuine respect for one another. It is an honor to compete with schools that share the same high demands and expectations for excellence in all they do.

I would also ask that you please consider becoming a member of CSA, the Charger Sports Association. This organization works tirelessly to support all sports and their athletes at Churchill. Every dollar donated to CSA is tax deductible and goes directly to help our sports teams and athletes be the best representatives possible.

Alongside the dedication of our athletes and coaches, I would like to recognize and thank the Cheerleaders, Grenadier Drill Team, Lancer Dancers, Pep Squad, ROTC, Superfans and our awesome Charger Band for everything they do to make the experience at a Churchill Athletic Contest as good as anywhere across the State of Texas. The commitment of these students to be the best at what they do is unparalleled!!

Of course, none of this happens without the unending support and leadership from of our Campus and District Administration. We welcome back to the Churchill family, our new campus leader, Principal Todd Bloomer. Our district level leadership includes, Karen Funk, Executive Director of Athletics, Dr. Donna Newman, Associate Superintendent; and Dr. Sean Maika, our Superintendent. These leaders and their staffs work tirelessly to support all students in their activities outside the classrooms so they may achieve a 360° educational experience.

Again, thank you for being here and being a part of Charger Athletics!

Sincerely,
Ron Harris
