Just about 14 years ago,
Two amazing boys met,
In Mrs. Turrentines Preschool class,
It was a time we won't forget.

Then came the ultimate Kinder class,
With the famous Mrs. Bartnett,
Sports, mudpiles, trips to the creek,
Your friendship was set.

Years flew by, but friends you stayed,
No matter what transpired,
Wins and losses in games and life,
A friendship that never expires.

MESSAGE FROM THE SUPERINTENDENT

Dear NEISD Friends,

Welcome to the 2017-2018 school year. We are at the beginning of what I am sure will be another successful school year.

North East ISD is known for its 360-degree teaching philosophy and is committed to providing opportunities to students in a variety of extracurricular activities. Athletics is a program that builds character, leadership, sportsmanship and responsibility in our students.

While we strive to be successful in competition, we also prepare our student athletes for life after school. We want them to walk away with a great sense of self worth, teamwork and integrity.

Congratulations students, for your commitment to your education and sport. Your dedication is impressive. Family and friends, you also deserve recognition for providing unwavering support, guidance and team spirit. They couldn't do it without you there week after week.

Good luck this year, and have fun!

Sincerely,
Brian G. Gottardy, Ed.D.

WINSTON CHURCHILL

It was May 10, 1940, and the freedom of Great Britain was in doubt. The time was at hand for the King of England to make a decision. Which man would he summon to become the next Prime Minister? The King wanted someone else, but in the end he chose Winston Churchill to lead Britain through their darkest days as he saved Democracy in Great Britain and the free world.

Some 23 years later, President Kennedy and the Congress of the United States made Sir Winston Churchill an Honorary Citizen of the United States on April 9, 1963, insuring that our school could be named Winston Churchill. The worldly leadership of Sir Winston has only been enhanced by our school and the tradition of excellence it has displayed since opening in 1966. Our 27 State Championships and 2 Lone Star Cups in UIL Athletics marks us as one of the finest schools in the State. As Sir Winston said, "Destiny is what I believe in, Destiny commands we must obey". The man and the school have lived by this motto, and we continue that tradition of destiny and achievement.

Sir Winston Churchill's life history is a part of the school's legacy. The names of the various groups you see tonight are all linked to him: Chargers, Lancer Dancers, Grenadier Drill Team, the Rampant Lion mascot. The original Band uniforms were modeled after the Queen's Guard, the Guards used to protect Buckingham Palace. The words we sing as our school song were penned by Cindy Harrington, WCHS class of '68 in 1966. The song's name is Rule Britannia, originally written in 1740 by Thomson and David Mallet.

Sir Winston Churchill is celebrated in many books and movies about him, two of which were recent HBO movies depicting several important times in his life. During his lifetime he received 37 medals from 12 different countries. In 1953, Sir Winston was awarded the Nobel Prize for Literature and invested as a Knight of the Garter by Queen Elizabeth II.

When Sir Winston died on January 24, 1965, he was given an honor reserved rarely for anyone outside of the British monarchy. His body lay in state for three days at Westminster Hall and then he was given a State Funeral at St. Paul's Cathedral.

The Sir Winston S. Churchill Memorial Wall represents an excellent look at his life. About 50 items were donated from the personal Churchill collection of Donald E. Jakeway. They were presented on behalf of the Churchill Centre of South Texas and Mr. Jakeway. The "Sir Winston S. Churchill Scholarship Fund" was also established and has given financial assistance to several Churchill High School students.

WINSTON CHURCHILL SCHOOL SONG

We walk down halls with glory filled
and proudly recall.
The hours spent in making you —
a memory to all.
When days go by and we have left,
our hearts remain.
Your colors are flying
for all the world to see.
Unfurl your banners
bright in Victory.
Winston Churchill —
your honor we defend
Cherished thoughts we hold
until the end.
Winston Churchill —
surpassed you'll never be.
So triumph in your name —
we hail to THEE.

WINSTON CHURCHILL FIGHT SONG

Fight you Chargers
take it all the way
Round the end another win today
If you fall
we will lend a helping hand
Red, Black, White
the greatest in the land
We're behind you all the way tonight
Victory will shine
We're gonna go, fight, Varsity
Right to the other line
Take your colors
march on down the line
Show that team our boys
are fighting fine
Get that ball from the enemy
Make them kneel down
to our Varsity
When the game is over
we'll be proud
Victory will shine
We're gonna Go, Fight, Win Chargers
For the Red, Black and White

MESSAGE FROM THE PRINCIPAL

Dear Friends of Churchill High School,

Welcome to the 2017-2018 school year and the grand tradition of Charger sports. On behalf of the athletes and their coaches, as well as the many members of the student body who will perform tonight and throughout the year, I would like to thank you for your support.

Taking in the sights and sounds of South Texas football reminds me of a quote from Sir Winston Churchill, "If we are together nothing is impossible. If we are divided all will fail." Cheering for our students together as one body creates tremendous "Charger Pride" and cements the great tradition of Churchill High School as a leader of the pride.

Those who choose to wear the "Black and White, and a touch of Red" go into this contest with the highest expectations for victory. Their dedication and perseverance is remarkable. Please honor our students' commitment to excellence as they look to you as models of the highest standards of loyalty and sportsmanship. Thank you for your continued support.

Sincerely,
Justin Oxley
Principal

ATHLETIC HALL OF HONOR

Winston Churchill has always set the standard for excellence in academics, leadership, sportsmanship and athletics. The Charger Sports Association recognizes our extraordinary athletes with our Hall of Honor, created in 2005.

The Hall displays some of Churchill's finest athletes, whose athletic feats extended beyond Churchill, into college and professional arenas. A designated committee consisting of coaches, association officers, administrators, and community members will select honorees every two years. The Hall of Honor showcases these distinguished athletes and will provide an inspiration to all the athletes that come to Churchill High School. Charger athletes will maintain Churchill's "tradition of excellence" as they preserve the past, affirm the present, and shape the future.

Tradition & Pride of Charger Football – 2017*

The Churchill Chargers are entering their 51st year! There have been some outstanding teams throughout the years. The overall record is 353 wins, 204 losses and 11 ties. There have been 24 playoff teams, including two state semifinalists and one team that captured the state championship in 1976 with a perfect 15-0 record.

Charger teams have been privileged to play in front of live television coverage and have performed in front of better than 22,000 fans on many occasions. There have been games played in the Astrodome, Memorial Stadium in Austin, Rice Stadium in Houston, College Station and in 1996, the Chargers played in the first ever playoff game in the Alamodome in front of 18,000 fans. Over the years there have been packed stadiums in the local area. One of the more memorable games occurred in 1981, when some 19,000 fans crowded into North East Stadium and sat on the slopes of the gym to see the Chargers' regional contest. In 1999, Churchill beat Clark in the Annual Gucci Bowl at the Alamodome. This game was the inaugural game of the Annual Texas Football Classic. A great spirit has always existed among Charger teams. This spirit has been in the stands as well, and the two together have contributed greatly to the success these teams have achieved over the past 50 years.

The past 50 years have also seen some outstanding individuals. There have been many players who have been recognized at the city and state level, and many of those have gone on to play college and professional football. Three, Mike Norment, Andy Hrcir and Carl Gustafson, became head high school football coaches. Gary Kelly, our starting QB in 1972, became CEO & Chairman of Southwest Airlines!

MESSAGE FROM COACH HARRIS

On behalf of Churchill HS and our entire Athletic Department I would like to extend a big Charger Welcome to you as you attend this Athletic Contest. We cannot thank you enough for your support of our Student-Athletes as they compete and represent our school and community with pride and passion. It is our distinct privilege to represent not only this school and community, but also as a point of pride for the North East Independent School District.

Once again Churchill will be a part of District 26 AAAAAA; traditionally an extremely strong and competitive district. Each school within the district is also a member of the North East Independent School District. This provides for spirited rivalries and competition along with a very genuine respect for one another. It is both exciting as well as an honor to compete with and against other schools that all have the same high demand for excellence in everything they do. This year should be both thrilling and entertaining as all of our teams strive to qualify for the State Playoffs and pursue the prestigious District Championship as well as State level success.

In addition to attending our athletic contests I would also ask that you please consider becoming a member of CSA, the Charger Sports Association. This organization works tirelessly to support all sports and all of our athletes here at Churchill. Every dollar donated by you is tax deductible and goes directly to help our sports teams be the best representative possible of both Churchill and NEISD.

Along with the dedication of our athletes and coaches I would like to recognize and thank the Cheerleaders, Grenadier Drill Team, Lancer Dancers, Pep Squad, ROTC, Superfans and our awesome

Charger Band for everything they do to make the experience at a Churchill Athletic Contest as good as there is anywhere across the State of Texas. The commitment of these students to be the best at what they do is unparalleled!!

Of course none of this happens without the leadership of our Campus Administration headed by Principal Justin Oxley and our District level leadership in Athletic Director Karen Funk; Associate Superintendent Dr. Donna Newman; and of course Dr. Brian Gottardy Superintendent for NEISD. These leaders and their staffs work tirelessly to help and support all students in their activities outside the classroom to achieve the goal of a 360* educational experience for our students.

Again, thank you for being here and being a part of Charger Athletics!

Sincerely, Ron Harris
Athletic Coordinator/Head Football Coach

Congratulations to the 2016 Recipient of the Clinton M. Lefler Memorial Scholarship

This scholarship is fully funded by the Clinton M. Lefler Memorial Foundation. The foundation was named in honor of a past Churchill football player, Clinton Lefler, who passed away February 21, 2009 from a tragic car accident at the age of 21. The foundation was established by Clinton's parents, Mike and Kathy Lefler, and through the efforts and contributions of countless friends and family members. This foundation was developed due to Clinton's love of football. Clinton's football coach composed the following list of personal characteristics that he displayed. The Winner of the Scholarship is chosen by exhibiting these attributes: team first attitude, off season work ethic, positive contribution to team morale, leader by example, competitive spirit, and a positive influence on others.

A group of 15 students, 8 boys and 7 girls, are posed in a circular arrangement against a vibrant red background with white smoke-like patterns. The boys are wearing dark polo shirts and white shorts, while the girls are wearing red polo shirts and white skirts. Many of the students are holding golf clubs, some in mid-swing. The overall composition is dynamic and celebratory.
